Agenda Item No. 8(A)(5)

Subject: Award Recommendation for the Operation & Maintenance Agreement of the Airport Operation Information System to Air-Transport IT Services, Inc., Project No. 1115D

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board): (i) waive competitive bid procedures pursuant to Miami-Dade County Code Section 2-8.1 and Section 5.03D of the Home Rule Charter; (ii) approve the award of an Operations & Maintenance (O&M) Agreement for the Airport Operation Information System (AOIS) for the Miami-Dade Aviation Department (MDAD) to Air-Transport IT Services, Inc. (AirIT) with a value of \$14,316,248.89 and a duration of seven years; and iii) authorize the County Mayor or the Mayor's designee to execute the Agreement substantially in the form attached hereto.

SCOPE

The impact of this item is countywide as it relates to Miami International Airport (MIA), the General Aviation Airports, PortMiami, certain Metrorail locations, Miami area hotels and the Miami Beach Convention Center.

DELEGATED AUTHORITY

In accordance with Miami-Dade County Code Section 2-8.3 relating to identifying delegation of Board authority contained within the subject Agreement, the Aviation Director or designee has the authority to terminate the Agreement.

FISCAL IMPACT/FUNDING SOURCE

The amount of the Agreement is \$14,316,248.89, including the Inspector General (IG) audit account. The proposal for this recommended Agreement keeps pricing static for seven years. The source of funding is the MDAD Information Systems operating budget.

TRACK RECORD/MONITOR

The track record for AirIT has been satisfactory according to MDAD Information Systems and Telecommunications Division Director Maurice Jenkins, who will monitor the Agreement.

DUE DILIGENCE

Pursuant to Resolution No. R-187-12, due diligence was conducted to determine the responsibility of AirIT, including verifying corporate status and any performance or compliance issues. The lists reviewed included: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to responsibility for AirIT.

BACKGROUND

This contract is for the operation and maintenance of the Airport Operation Information System (AOIS) at MIA. The AOIS was procured through an open and competitive process in 2002; however, it is a proprietary system, and support for the system is only available through AirIT.

This Board in 2007 approved a prior bid waiver contract with AirIT for the provision of these same O&M services in 2007, recognizing the proprietary nature of the software.

This AOIS contract term extension will allow MDAD to develop new strategies for potential replacement of the AOIS and/or some of its functional components. By aligning the new AOIS contract term with those of other contracts for mission-critical systems, MDAD can re-scope the AOIS contract in an effort to relieve dependency on a single source vendor. This approach maximizes the value of the investment that has been made in the existing AOIS while facilitating multiple procurement strategies that are possible when paired with other mission-critical systems.

AOIS was developed to centralize information to help manage airport operations. The software suite is a proprietary group of modules, tightly integrated to ensure stable and reliable operations. It interfaces with virtually every mission critical system within the airport and is the cornerstone of MDAD's total airport management system. It integrates multiple systems and processes into one complete framework that enables MDAD to work as a single unit with unified objectives.

The elements of the system include the Airport Operational Database, Interface Management, Information Management, Resource Management System and Visual Information Display software. Collectively, they not only link the AOIS system but also are imbedded in the hardware controllers that drive all displays and electronic signage throughout the airport.

In addition to AOIS, AirIT has full care, management and control of the Propworks™ Enterprise Resource Planning interface to PeopleSoft (Oracle) and all interface modules that link to a myriad of external systems including baggage handling, building maintenance, Sabre, air traffic, flight tracking, and others.

Specifically, AOIS is integrated with the following core systems:

- PROPworks
- PeopleSoft
- North and South Terminal Baggage Handling Systems
- Flight, Gate, Baggage and Ticket Counter Information Display Systems
- Make-up Belts and Staff Information Display Systems
- Visual Paging – ADA requirement
- Telephone Information System – ADA requirement
- Paging and Cable TV Systems
- Web and Off-airport Flight Information Display Systems
- Crystal Report – Enterprise Reporting System
- Data Archive and Retrieval
- Wayfinding Displays
- Web-based Flight Tracking
- Advertising Displays
- Aerial View System
- Baggage Input Consoles

- Emergency Messaging
- American Airlines - FliteSource
- American Airlines – Baggage Information
- Delta Airlines Flight Information System

Contractor shall promptly report to the Department the names of all persons who were employed by Contractor from whom they were unable to obtain the return of Department issued identification badges. In the event that an identification badge is not returned because of a failure by Contractor, Contractor shall pay, from its own funds, the Department's established charge for lost or stolen identification badges. The Department shall have the right to require Contractor to conduct background investigations, criminal history checks and to furnish certain data on such employees before the issuance of such identification badges, to include the fingerprinting of employee applicants for such badges.

7.02 AOA – Right to Search:

It is understood that the Department has a strong interest in maintaining good Airport security and intends to implement increased security measures for companies having access to the Air Operations Area ("AOA") of the Airport. Contractor agrees that its vehicles, cargo, goods and other personal property are subject to being searched when entering or leaving the AOA. Contractor further agrees, when required by the Department, that it shall not authorize any employee requiring regular access to the AOA as part of his/her regular duties, to enter the AOA unless and until such employee has executed a written consent to search form acceptable to the Department. Persons not executing such consent to search form shall not be employed by Contractor pursuant to this Agreement.

It is further agreed that the Department has the right to prohibit an individual, agent or employee of Contractor from entering the AOA, based upon facts which would lead a person of reasonable prudence to believe that such individual might be inclined to engage in theft, cargo tampering, aircraft sabotage, or other unlawful activities. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a hearing before a designated Contractor representative of the Department within a reasonable time. Prior to such hearing, the person denied access to the AOA shall be advised, in writing, of the reasons for such denial. Persons denied such access shall not be employed by Contractor hereunder.

Contractor acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts, cargo tampering, aircraft sabotage and other unlawful activities.

7.03 AOA – Driver Training:

Before Contractor shall permit any employee to operate a motor vehicle on the AOA, Contractor shall require such employee to have a current, valid, appropriate Florida driver's license and to attend and successfully complete the AOA Driver Training Course

conducted periodically by the Department. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department because of violation of AOA driving rules or loss of Florida driver's license.

7.04 Federal Agencies Right to Consent:

Contractor understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies and any bonding requirements as may be imposed by such agencies. Persons not approved or consented to by the Federal Inspection Services agencies may not be employed by Contractor on the Airport.

7.05 Relationship of Parties:

Officers, agents, and employees of Contractor shall not be deemed to be employees of the County for any purpose whatsoever.

7.06 Employment Eligibility Verification (E-Verify):

Contractor is required to enroll in the United States Citizenship and Immigration Services E-Verify system, and to utilize that system to verify the employment eligibility of all persons performing work for Contractor under this Agreement. Contractor shall incorporate this requirement into all of its subcontracts as well.

7.07 Alcohol and Drug Testing:

Contractor acknowledges that the County has the obligation to establish a drug free workplace, and to establish policies and programs to ensure Airport safety and security. Contractor acknowledges that the Department has the right to require users of the Airport, including but not limited to lessees, permittees, licensees, and management companies, to establish reasonable programs to further the achievement of the obligations described herein. Accordingly, Contractor shall establish programs for pre-employment alcohol and drug screening for all candidates for employment at the Airport and for the same or similar screening, based upon reasonable suspicion that an employee, while on duty at the Airport, may be under the influence of alcohol or drugs. Further, to the extent permitted by law, Contractor shall establish a program for the random alcohol and drug screening of all employees who are authorized, pursuant to this Agreement, to operate any type or kind of vehicle on the airfield operations area ("AOA"). Contractor shall make good faith efforts to negotiate amendments to any existing Agreement(s), which may serve as a bar to Contractor's implementation of its obligations hereunder. Notwithstanding the above, Contractor specifically acknowledges that the Department has the right and obligation to deny access to the AOA and to withdraw AOA driving privileges from any person whom it has a reasonable suspicion to believe is under the influence of alcohol or drugs.

7.08 Employee Training:

Operator shall, on an ongoing basis, provide effective customer service training programs for all personnel having public contact.

7.09 Use of Public Facilities:

Contractor acknowledges and agrees that the County has provided certain facilities, such as, but not limited to, seating areas, holdrooms and restrooms in the Terminal Building, public parking and other conveniences for the use of the traveling public and has also provided special facilities solely for the use of the employees of Airport tenants and commercial users. This Agreement shall be void if Contractor submits a false affidavit pursuant to this Resolution or Contractor violated the Act or the Resolution during the term of this Contract, even if Contractor was not in violation at the time it submitted its affidavit.

Contractor will include Sub-article 20.01 Equal Employment Opportunity and Sub-article 20.02 Nondiscriminatory Access to Premises of this Article in the Contractor sub-contracts in excess of \$10,000.00, unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 issued September 24, 1965, as amended by Executive Order 113155, so that such provisions will be binding upon each sub-consultant. Contractor shall take such action with respect to any sub-contract as the County may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event Contractor becomes involved in, or is threatened with, litigation with a sub-consultant as the result of such direction by the County or by the United States, Contractor may request the United States to enter into such litigation to protect the interests of the United States.

20.06 Affirmative Action/Nondiscrimination of Employment Promotion and Procurement Practices:

In accordance with the requirements of County Code Section 2-8.1.5, all firms with annual gross revenues in excess of \$5 million seeking to contract with Miami-Dade County shall, as a condition of award, have a written Affirmative Action Plan and Procurement Policy on file with the County's Internal Services Department/Procurement Management Division (ISD/DPM). Said firms must also submit, as a part of their Agreement to be filed with the Clerk of the Board, an appropriately completed and signed Affirmative Action Plan/Procurement Policy Affidavit.

Firms whose Boards of Directors are representative of the population make-up of the nation are exempt from this requirement and must submit, in writing, a detailed listing of their Boards of Directors, showing the race or ethnicity of each board member, to the County's ISD/DPM. Firms claiming exemption must submit, as part of their Agreement to be filed with the Clerk of the Board, an appropriately completed and signed Exemption Affidavit in accordance with County Code Section 2-8.1.5. These submittals shall be subject to periodic reviews to assure that the entities do not discriminate in their employment and procurement practices against minorities and women/owned businesses.

It will be the responsibility of each firm to provide verification of their gross annual revenues to determine the requirement for compliance with the County Code section. Those firms that do not exceed \$5 million annual gross revenues must clearly state so in their Agreement.

20.07 Contract Measure:

This Agreement will adhere to all Miami-Dade County ordinances with special attention to all ordinances that relate to the Small Business Enterprise ("SBE") Participation program.

ARTICLE 21

Security/Airfield Operations Area/Sterile Areas Security

21.01 Secured Areas/Airfield Operations Area (AOA)/Sterile Areas Security:

The Contractor acknowledges and accepts full responsibility for compliance with all applicable Federal, State, and Local laws, rules and regulations including those of the Homeland Security, Transportation Security Administration's (TSA) Code of Federal

Regulations 49 CFR Part 1542 et al, Federal Aviation Administration FAA, Customs and Border Protection CBP, the MDAD Airport Security Plan and applicable Security Directives issued by TSA and the Aviation Department as set forth from time to time relating to Contractor's activities at the Miami International Airport (MIA).

In order to maintain high levels of security at MIA, the Contractor must obtain MDAD photo identification badges for all the Contractor employees who are authorized access to the Secured/AOA/Security Identification Display Area (SIDA), Sterile Concourse Areas or any other restricted areas of the Airport as may be required and designated in the Airport's Security Plan. All Contractor employees will be required to obtain photo identification badges and will be subject to fingerprint-based criminal history records checks.

The Contractor shall be responsible for requesting MDAD to issue identification badges to all employees who the Contractor requests to be authorized access to the Secured/AOA/SIDA/Sterile Concourse Areas and any other restricted areas of the airport as may be required and designated in the Airport's Security Plan and shall be further responsible for the immediate reporting of all lost or stolen ID badges and the immediate return of the ID badges of all personnel transferred from Airport assignment or terminated from the employer of the Contractor or upon final acceptance of the work or termination of this Agreement. The Contractor will be responsible for fees associated with lost and unaccounted for badges as well as the fee(s) for fingerprinting and ID issuance.

All employees of the Contractor who must work within MDAD Secured/AOA/SIDA/Sterile Concourse areas or any other restricted areas at MIA shall be supplied with MDAD identification badges as specified above, which must be worn at all times while within the referenced secured areas. Badges shall be worn/displayed on outer garments above the waist so as to be clearly visible in order to distinguish, on sight, employees assigned to a particular company area. Each employee must complete the Security Identification Display Area SIDA training program conducted by the MDAD Security Division Credentialing Office before any ID badge is issued to such employee and comply with all other TSA, Homeland Security, FAA, CBP and MDAD requirements as specified by the MDAD at the time of application for the ID badge before an ID badge is issued.

Contractor Ramp Permits will be issued to the Contractor authorizing vehicle entrance to the Airfield Operations Area (AOA) through specified Miami-Dade Aviation Department vehicle access control gates for the term of any Project. These permits will be issued only for those vehicles that must have access to the site during the performance of the work. These permits will be only issued to company owned vehicles or company leased vehicles (leased from a commercial leasing company). AOA decals, passes, or permits to operate within the AOA will not be issued to privately owned or privately leased vehicles. All vehicles operating within the AOA must have conspicuous company identification signs (minimum of three inch lettering) displayed on both sides of the vehicles.

All vehicles operating within the AOA must be provided with the Automobile Liability Insurance required elsewhere in this Agreement. Proof of such insurance is provided to MDAD Airside Operations Division upon request.

Only Contractor staff with proper access zone pictured MDAD SIDA ID badges shall be allowed to operate a motor vehicle on the AOA without a MDAD escort. The Contractor

shall require such employee to have a current, valid, appropriate Florida driver's license and to attend and successfully complete the AOA Driver Training Course, Reoccurring AOA Driver and Movement Area Driver training programs conducted periodically by the Department. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department because of violation of AOA driving rules or loss of Florida driver's license.

The Contractor agrees that its personnel, vehicles, cargo, goods, and other personal property are subject to being searched when attempting to enter, leave or while on the AOA. It is further agreed that the MDAD has the right to prohibit an individual, agent, or employee of the Contractor from entering the AOA, based upon facts which would lead a person of reasonable prudence to believe that such individual might be inclined to engage in theft, cargo tampering, aircraft sabotage, or other unlawful activities, including repeated failure to comply with MDAD's or the TSA, Homeland Security, FAA, CBP, SIDA access control policies, rules and regulations. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a review hearing before the Director or his/her authorized designee within a reasonable time. Prior to such hearing, the person denied access to the AOA should be advised, in writing, of the reason for such denial.

The Contractor acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts cargo tampering, aircraft sabotage, and other unlawful activities at the Airport and to maximize compliance with TSA, Homeland Security, FAA/Federal Inspection Services agencies and MDAD access control and security policies and procedures as may be required and designated in the Airport Security Plan and the Miami-Dade Aviation Department Rules and Regulations Chapter 25.

The Contractor understands and agrees that vehicle and equipment shall not be parked/stored on the AOA in areas not designated or authorized by MDAD nor in any manner contrary to any posted regulatory signs, traffic control devices, or pavement markings.

The Contractor understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies shall not be employed by the Contractor in areas under the jurisdiction or control of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies who enter such areas are subject to fines, which shall be borne entirely by the persons and/or the Contractor.

Notwithstanding the specific provisions of this Article, the Owner shall have the right to add to, amend, or delete any portion hereof in order to meet reasonable security requirements of MDAD or of the TSA/Homeland Security/FAA/Federal Inspection Services agencies.

The Contractor shall ensure that all employees so required participate in such safety, security and other training and instructional programs, as MDAD or appropriate Federal agencies may from time to time require.

Contractor agrees that it will include in all contracts and subcontracts with its MIA sub-consultants, service providers, and suppliers an obligation by such parties to comply with all security requirements applicable to their operations at the Airport. The Contractor agrees that in addition to all remedies, Damages, and sanctions that may be imposed by TSA, Homeland Security, FAA, Federal Inspection Services Agencies or MDAD upon Contractor sub-consultants, suppliers, and their individual employees for a violation of applicable security provisions. The Contractor shall be responsible to the Owner for all such violations and shall indemnify and hold the Owner harmless for all costs, fines and Damages arising there from, such costs to include reasonable attorneys' fees.

22.02 Violations of Rules and Regulations:

Contractor represents and agrees to pay, on behalf of the County, any penalty assessment or fine issued against the County, or to defend in the name of the County any claim, assessment or civil action, which may be presented or initiated by any agency or officer of the federal, state or local governments based in whole or substantial part upon a claim or allegation that Contractor, its agents, employees, contractors, subcontractors, suppliers, or invitees, have violated any law, ordinance, regulation or rule described in Sub-Article 20.01 or any plan or program developed in compliance therewith. Contractor further represents that the substance of Sub-Article 20.01 shall be included in every contract and other agreements, which Contractor may enter into related to its operations and activities under this Agreement and that any such contract and other agreement shall specifically provide that "Miami-Dade County, Florida is a third party beneficiary, of this and related provisions." This provision shall not constitute a waiver of any other conditions of this Agreement prohibiting or limiting assignments, subletting or subleasing.

22.03 Permits and Licenses:

Contractor covenants, represents, and warrants that it shall be strictly liable and responsible to obtain, maintain current, fully comply with, and make available to the Department upon request, all permits, licenses, and governmental authorizations and approvals, however designated and as may be required by any federal, state, or County governmental entity or judicial body having jurisdiction over Contractor or its operations and activities, for any activity of Contractor on the facilities and for any actions of Contractor at the Airport, including ensuring that all legal requirements, permits, and licenses necessary for or resulting, directly or indirectly, from Contractor's operations and activities under this Agreement and Airport have been obtained and are in compliance.

ARTICLE 23

Civil Actions

23.01 Governing Law-Venue:

This Agreement shall be governed and construed in accordance with the laws of the State of Florida. Venue for any action or claim arising from this Agreement shall be in the Circuit Court of the Eleventh Judicial Circuit in and for Miami-Dade County, Florida, or in the United States District Court in and for the Southern District of Florida.

23.02 Registered Office/Agent Jurisdiction:

Contractor, if a corporation, shall designate a registered office and a registered agent, as required by Section 48.091, Florida Statutes, and such designations to be filed with the Florida Department of State in accordance with Section 607.034, Florida Statutes. If Contractor is a natural person, both Contractor and his or her personal representative(s) hereby submit themselves to the jurisdiction of the courts of the State of Florida for any cause of action based in whole or in part on the alleged breach of this Agreement.

ARTICLE 24

Actions at Termination

24.01 Surrender of Facilities:

On or before the termination date of this Agreement and any exercised extensions, whether by lapse of time or otherwise, in accordance with the provisions contained herein, Contractor shall vacate, quit and surrender and shall account for the facilities, all furnishings, fixtures, equipment, vehicles, records, funds, inventories, commodities, supplies and other property of the County in as good order and condition as they were upon the Effective Date of this Agreement or date of subsequent acquisition, reasonable and normal wear and tear excepted.

24.02 Amounts Due and Payable:

On or before the termination date of this Agreement and any exercised extensions, except in instances of termination pursuant to Article 19.01 hereof, in which event Contractor shall be allowed up to five (5) calendar days, Contractor shall remove all of its personal property from the facilities. Any personal property of Contractor not removed in accordance with this Article may be removed by the Department for storage at the cost of Contractor. Failure on the part of Contractor to reclaim its personal property within thirty (30) days from the date of termination shall constitute a gratuitous transfer of title thereof to the County for whatever use and disposition is deemed to be the best interests of the County.

ARTICLE 25
Other Provisions

25.01 Payment of Taxes:

Contractor shall pay any taxes lawfully assessed against Contractor arising out of its operations hereunder; provided, however, that Contractor shall not be deemed to be in default of its obligations under this Agreement for failure to pay such taxes pending the outcome of any legal proceedings instituted in courts of competent jurisdiction to determine the validity of such taxes. Failure to pay same after the ultimate adverse conclusion of such contest shall constitute a default, pursuant to Article 18.

25.02 No Possessory Interests:

No clause, phrase, sentence, paragraph or article of this Agreement shall vest any possessory or leasehold interest in any real property, the facilities, the improvements or the personal property of the County described herein in Contractor nor shall such be construed as creating any landlord and tenant or partnership or joint venture relationship between the County and Contractor.

25.03 Rights to be Exercised by Department:

Wherever in this Agreement rights are reserved to the County, such rights may be exercised by the Department.

25.04 Administrative Modifications:

It is understood and agreed that the Department, upon written notice to Contractor, shall have the right to modify administratively technical requirements hereof, and the exhibits hereto; provided, however, such revisions shall not have a materially adverse effect on the right of Contractor to be reimbursed for costs and expenses incurred on a timely basis or to receive reasonable compensation for its services hereunder or on the security of the funds and assets of the County.

25.05 Approvals:

Wherever in this Agreement approval by the County or Department is required, the County or the Department may approve or disapprove same without providing a stated cause for such action.

25.06 Security:

Subject to recommendation from Contractor as to reasonable and prudent security measures needed and approved by the Department, Contractor shall be responsible for the security and protection of the facilities, and the equipment, furnishings, commodities and supplies provided herein.

25.07 Rights of County at Airport:

The County shall have the absolute right, without limitation, to make any repairs, alterations and additions to any structures and facilities at the Airport. The County shall, in the exercise of such right, be free from any and all liability to Contractor.

25.08 Federal Subordination:

This Agreement shall be subordinate to the provisions of any existing or future agreements between the County and the United States of America relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport. All provisions of this Agreement shall be subordinate to the right of the United States of America to lease or otherwise assume control over the Airport, or any part thereof, during time of war or national emergency for military or naval use and any provisions of this Agreement inconsistent with the provisions of such lease to the United States of America shall be suspended.

25.09 Severability:

If any provision of this Agreement or the application thereof to either party to this Agreement is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions of this Agreement which can be given effect without the invalid provision, and to this end, the provisions of this Agreement are severable.

25.10 Authorized Uses Only:

Notwithstanding anything to the contrary herein, Contractor shall not use or permit the use of the facilities or the Airport for any illegal or unauthorized purpose nor for any purpose which would invalidate any insurance policies of the County or any policies of insurance written on behalf of Contractor under this Agreement.

25.11 No Waiver:

There shall be no waiver of the right of the County to demand strict performance of any of the provisions, terms and covenants of this Agreement nor shall there be any waiver of any breach, default or non-performance hereof by Contractor, unless such waiver is explicitly made in writing by the Department. Any previous waiver or course of dealing shall not affect the right of the County to demand strict performance of the provisions, terms and covenants of this Agreement with respect to any subsequent event or occurrence or of any subsequent breach, default or non-performance hereof by Contractor.

25.12 No Estoppel or Waiver

No acceptance, order, measurement, payment, or certificate of or by a party or its employees or agents shall estop the other party from asserting any right of the ensuing Agreement. There shall be no waiver of the right of a party to demand strict performance

of any of the provisions, terms and covenants of this Agreement, nor shall there be any waiver of any breach, default or non-performance hereof by the other party unless such waiver is explicitly made in writing by the party. No delay or failure to exercise a right under the ensuing Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time, or of any other right under the Agreement.

25.13 Entirety of Agreement:

This Agreement, together with the exhibits attached hereto, constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and any prior agreements, representations or statements made with respect to such subject matter, whether oral or written, and any contemporaneous oral agreements, representations or statements with respect to such subject matter, are merged herein; provided, however, that Contractor hereby affirms the completeness and accuracy of the information submitted by Contractor to the Department in connection with the award of this Agreement.

25.14 Inspections:

The authorized employees and representatives of the County and of any applicable Federal or State agencies having jurisdiction hereof shall have the right of access to the facilities at all reasonable times for the purposes of inspection and audit to determine compliance with the provisions of this Agreement. This right of inspection and audit shall impose no duty on the County to inspect and audit and shall impart no liability upon the County should it not make any such inspections or audits.

25.15 Headings:

The headings of the various articles and sections of this Agreement, and its Table of Contents, are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Agreement or any part or parts of this Agreement.

25.16 Binding Effect:

The terms, conditions and covenants of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their successors and assigns.

25.17 Performance:

The parties expressly agree that time is of the essence in the performance of this Agreement and that the failure by Contractor to complete performance within the time specified, or within a reasonable time if no time is specified herein, shall relieve the County of any obligation to accept such performance.

25.18 Conflict of Interest/Code of Ethics Ordinance:

In connection with the terms and conditions of this Agreement, the Contractor agrees to adhere to and be governed by the County, Florida Conflict of Interest Code of Ethics Ordinance (Section 2-11.1 of the Code). Notwithstanding the provisions of any federal, state or County law governing the activities of the Contractor hereunder, commencing as

of the effective date of this Agreement and continuing for the term hereof, the Contractor shall not knowingly enter into any contract or other financial arrangement with any person, corporation, municipality, authority, county, state, country, or any tenant or airline, which would constitute a conflict with interest of the County hereunder or with the Services provided by the Contractor to the County hereunder. The Miami-Dade County Ethics Commission shall make determination(s), binding upon the Parties, as to whether conflicts exist or will exist, and if such relationship will be serious enough to constitute a conflict hereunder.

The Contractor represents that no officer, director, employee, agent, or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

The Contractor also represents that, to the best of its actual knowledge:

- A. There are no undisclosed persons or entities interested with the Contractor in this Agreement. This Agreement is entered into by the Contractor without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other Contractor of the County, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or a member of the immediate family or household of any of the aforesaid:
 - i) Is interested on behalf of or through the Contractor directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the Services, supplies or Work, to which this Agreement relates or in any portion of the revenues; or
 - ii) Is an employee, agent, advisor, or consultant to the Contractor or to the best of the Contractor's knowledge any subcontractor or supplier to the Contractor.
- B. Neither the Contractor nor any officer, director, employee, agency, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligation under this Agreement; provided however, that the County, in its sole discretion, may consent in writing to such a relationship, provided the Contractor provides the County with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the County's best interest to consent to such relationship.
- C. The provisions of this article are supplemental to, not in lieu of, all applicable laws with respect to conflicts of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.
- D. In the event the Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the Contractor shall promptly bring such information to the attention of the Project Manager. Contractor shall thereafter

cooperate with the County's review and investigation of such information, and comply with the instructions the Contractor receives from the Project Manager in regard to remedying the situation.

or to such other respective addresses as the parties may designate to each other in writing from time to time. Notices by registered or certified mail shall be deemed given on the delivery date indicated on the return receipt from the United States Postal Service.

25.20 Non-exclusive Agreement

Notwithstanding any other provision of this non-exclusive Agreement, the County is not precluded from retaining or utilizing any other contractor(s), staff, or a combination of contractor(s) and staff to perform any services within the contract limits defined in the Agreement. The County may elect to competitively procure and contract any staff, hardware, infrastructure or system additions and changes, including, but not limited to 1) additional or replacement on-site staff to support or maintain the AOIS or FIDS, 2) additional or replacement AOIS or FIDS hardware, 3) outside plant extensions, 4) major changes in network architecture, and 5) other information systems or telecommunications infrastructure changes. The Contractor shall have no claim against the County as a result of the County electing to retain or utilize such other contractor(s) to perform any such services, provided that the County shall instruct all other contractor(s) that they shall not act in a way that would disrupt or interfere with Contractor's performance of its duties, and take all other reasonably possible steps to avoid any such disruption or interference.

25.21 Governmental Authority

Nothing in this Agreement shall be construed to waive or limit the governmental authority of the County as a political subdivision of the State of Florida.

25.22 Independent Contractor

The Contractor shall perform all services described herein as an independent contractor and not as an officer, agent, servant, or employee of the County. All personnel provided by the Contractor in the performance of this Agreement shall be considered to be, at all

times, the sole employees of the Contractor under its sole discretion, and not employees or agents of the County.

25.23 Intent of Agreement

This Agreement is for the benefit of the Parties only and does not: (a) grant rights to third party beneficiaries, or to any person; or (b) authorize non-parties to the Agreement to maintain a suit for personal injuries, professional liability, or property damage pursuant to the terms or provisions of the Agreement.

25.24 Modifications

This Agreement may be modified and revised by written Amendment duly executed by the Parties hereto. Neither electronic mail nor instant messaging shall be considered a "writing" sufficient to change, modify, extend or otherwise affect the terms of the Agreement. Any oral representation or modifications concerning this Agreement shall be of no force or effect.

25.25 Ownership of Documents

Any and all reports, photographs, surveys, provided or created in connection with this Agreement are and shall remain the property of the County. In the event of termination of this Agreement, any software database, all electronic files associated with work performed, any reports; such as traffic, inventory, switch audit, service and or MAC logs and photographs, surveys, prepared by the Contractor, whether finished or unfinished, shall become the property of the County, and the Contractor shall immediately remit same to the County.

Contractor further acknowledges and agrees that Contractor shall not have ownership interest of any kind in any original materials, either written or readable by machine, prepared by Contractor for County, or prepared jointly by Contractor and County, constituting an original, a modification to, enhancement of derivative work based on such materials. Contractor shall be permitted to create and use such Documentation and Materials solely for the purpose of providing services to County.

25.26 Prior Agreements

The Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written. No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless set forth in writing in accordance with this Agreement.

25.27 Solicitation

Except as provided by Section 2-11.1(s) of the Code, the Contractor warrants that: 1) it has not employed or retained any company or person other than a bona fide employee working solely for the Contractor to solicit or secure this Agreement; and 2) it has not paid, or agreed to pay any company or other person any fee, or commission, gift, or other consideration contingent upon the execution of this Agreement. A breach of this warranty

makes this Agreement voidable by the County without liability to the Contractor for any reason.

25.28 Survival

Any obligations of the Contractor and the County which by their terms would continue beyond the termination, cancellation or expiration of this Agreement or any service order shall survive with such termination, cancellation or expiration.

25.29 Third Party Beneficiaries

Neither the Contractor nor the County intends to directly or substantially benefit a third party by this Agreement. Therefore, the Parties agree that there are no third party beneficiaries to this Agreement, and that no third party shall be entitled to assert a claim against either of the Parties based upon this Agreement. The Parties expressly acknowledge that it is not their intent to create any rights or obligations in any third party or entity under this Agreement. Contractor represents and warrants that it shall use access to and knowledge of Software, Systems and related Documentation solely to provide Services to County, and not for the use or benefit of any other third person nor shall Contractor disclose such materials to any third person, and shall limit disclosure to its employees who have a need to know for the performance of Services hereunder.

25.30 Independent Private Sector Inspector General Review:

Pursuant to Miami-Dade County Administrative Order 3-20 and in connection with any award issued as a result of the Proposal, the County has the right to retain the services of an Independent Private Sector Inspector General ("IPSIG"), whenever the County deems it appropriate to do so. Upon written notice from the County, the Contractor shall make available, to the IPSIG retained by the County, all requested records and documentation pertaining to this Proposal or any subsequent award, for inspection and copying. The County will be responsible for the payment of these IPSIG services, and under no circumstance shall the Contractor's cost/price for this Proposal be inclusive of any charges relating to these IPSIG services. The terms of this provision herein, apply to the Contractor, its officers, agents, employees and assignees. Nothing contained in this provision shall impair any independent right of the County to conduct, audit or investigate the operations, activities and performance of the Contractor in connection with this Agreement. The terms of this provision are neither intended nor shall they be construed to impose any liability on the County by the Proposer or third party.

25.31 Miami-Dade County Inspector General Review:

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all Department contracts, throughout the duration of said contracts, except as otherwise provided below. The cost of the audit of any contract will be one quarter of one percent (0.25%) of the total contract amount.

Exception: The above application of one quarter of one percent (0.25%) fee assessment shall not apply to the following contracts: (a) contracts for legal services; (b) contracts for financial advisory services; (c) auditing contracts; (d) facility rentals and lease

agreements; (e) concessions and other rental agreements; (f) insurance contracts; (g) revenue-generating contracts; (h) professional service agreements under \$1,000; (i) management agreements; (l) small purchase orders as defined in Miami-Dade County Administrative Order No. 3-38; (m) federal, state and local government-funded grants; and (n) interlocal agreements. *Notwithstanding the foregoing, the Miami-Dade County Board of County Commissioners may authorize the inclusion of the fee assessment of one quarter of one percent (0.25%) in any exempted contract at the time of award.*

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Department contracts including, but not limited to, those contracts specifically exempted above.

25.32 ACCOUNT TO PAY FOR IG SERVICES

An Audit Account is hereby established to pay for mandatory random audits by the County's Inspector General. The amount for the Inspector General (IG) Audit Account is hereby set at \$35,701.37. The Contractor shall have no entitlement to any of these funds. The County retains all rights to these funds, may expend these funds at its sole discretion, and any funds not expended from these audit accounts remain the property of the County.
